1. I The Lord God am holy and there is none other beside Me. There is none other beside Me for I am King, Master and Designer of all. I am The Lord God of Hosts, King of Kings, and Lord of All. And those who find Me find life, and those who find Me find life abundantly. And those who will live in Me, I will live in and live in to the fullest, if they let Me. I love you and I give you Me.
2. I give you excitedly Me, and I give you Me excitedly and excited about what you are doing for Me and in Me and Me in you coming forth; the night is day. Light into darkness with a sword and cataclysmic events of Me and peace. Brought low some, brought high many. I love you. My many, My Mighty Many coming forth. Amen.
3. I love you and I give you Me, eyes wide open. Turmoil not, tumultuous sequesterings not, but peace and peace and more peace with Me as My peace I give unto you, as you peace with Me and peace we exchange; your peace for My peace. I love you.
4. You do not know yet what I am doing with you and how I will bring the nations together through you, to you, and through you to each other, through Me, into Me, into each other and back to Me as one, as one group comes forth. Watch Me. I love you and I give you Me.
5. I bring you men of every race, nation, tribe and tongue; every color and languages not understood, to hear Me and be Me, seeking Me out, seeking Me in fullness, seeking to be glory-ized by My gloriabiles; walking in fullness, diminished no longer; despised no longer, dismissed no longer as unintelligent, unimportant or not relevant. Who careth for My soul? so many cry. I love you. As I give Me them, as I give you them, as I give them to you to put into My hand their hand.
6. I bring you women of all nations to train and laugh with and know their power; children, leaders, leadership, youth, youth and lambs, ewe lambs, bad lambs not, but white lambs, white in My purity, white in My light, white in My blood which conquers all.
7. No one and nothing can withstand My love. My love melts stone and into the thorniest places makes smooth the way for My Mine to follow Me.
8. Hear My voice, know Me, My heart, My values; the palpitation of My heart; what makes My heart beat fast, and what I cry for; what tears and rips My heart: the way other people treat My people; the way My people treat other people; the way My people treat my people and treat each other; the way man rends man.

9. I love you and I give you peace to walk in. I give you a sword to cut asunder righteousness from unrighteousness, Me from not Me, truth from untruth, tradition and hierarchy from egalitarianism, from equals being Me. I love you.
10. I give you Me. I give you Me. I give you all of Me. I give you sense and sensibilities which transcend all common logic, wisdom of only Me. My house, My knees, time with Me.
11. Thank you for coming, denying yourself the privilege of being with your daughter, sidelining all but Me for now.
12. Now, now, will I crown and clothe. I crown and clothe My readiness, My readied who are ready to go forth and ready My Mighty Many forthwith, cataclysmic of only Me. I love you.
13. Mitts come, Joyners join and Wards are rewarded for what they contribute, for how they piece together the stonework that is My masonry, the work of My own hands; My body being Me: **teachers, instructors, learners who at My knee wait and wait and wait for My word and relish My being in being My being.**
14. Connells: Connells come and Connells go and Connells come and Connells make and I glorify My Connells who in Me are glorified. I love you. I love you. I love you. I love My Connells, My Clares, My Freds, My Wards, My Joyners, My Mitts, My WeekWorkers all who come now forthwith to immediately bestow upon seekers serious My values, My systems, My words, and My freedom to walk Me, do Me, see Me, speak Me, record Me, and be Me.
15. I love you and I give you Me, and I give you color and hues, acreages of only Me. Many, many, many, many from My hand with so much, unlimited, infinite access to only Me and all that I am and all that I have, that which I have already given and provided, that which I am. I love you.
16. **My flags unfurl your banner now, My flags unfurl your banner, My flags unfurl My banner, My University of My New Covenant.** My tongue speaking through My trapped not, but through My liberated, My freedom'd who freedom makers make now and for eternity. All throughout, yes, and even coming. I love you. Stonework, masonry of only Me, intangible, tangible, visible, rightly dividing the word of truth as it comes forth from their very lips. I love you.
17. Charlie Myers of Me; Kingly be, Kingly is. I walk My Charlie down My aisles and into My arms and into Me and gloried be, gloried is, all heart's Mine. I love you. I give you Me.
18. Now all comes forth; all pieces, all people, all reigns, and all places, all properties, positions, title holders of only Me now come forth to proposition Me, to proposition you, offering you all that I am, all that they are, all that they have to build on, to build in.
19. **Praising My streams of righteousness to new levels, heretofore never seen, imagined, cataclysmic rushing waters of only Me and My voice throughout the ages now converging into Me, many streams into one. My river flows, unifying My body as never before.** Christ in Me, Christ in Me, Christ in you, Christ above, below, beneath, around,

integrated, impenetrable, permeating My very you, My very Me in you. You in Me, all together one. Maturity displayed. I love you.

20. I give you Me; chocolates and raspberries, delicacies of only Me; My seas, My seashores, My cabins, My solitude. My words flowing from you in torrents now, rivers making, giant-ing My giant makers who seek Me so seriously, intently, monocularly focused only on Me; paying the price, **paying the price; time, effort** and all that there is; All that goes into becoming maturity, becoming Me.

Amen
